Dear Vipul sir,

I hope this message finds you well. I would like to discuss the possibility of a salary review. Over the past [duration], I have taken on additional responsibilities and contributed to specific projects and team development. I believe that my efforts have positively impacted our team's success.

As I continue to grow in my role and take on additional responsibilities, I would like to discuss the possibility of a salary review. I believe that my contributions, as Design N Development engineer, have added significant value to our team's performance.

I would appreciate the opportunity to meet and discuss my performance and compensation further. Please let me know convenient time for us.

Thank you for considering my request.
